The Mixer is the seasonal newsletter for all things Knights - covering exciting topics such as current and completed projects along with other interesting news and features.

GROUP ACCOUNTANT FACES CHARITY CAGE WARS

Our Group Management Accountant, Tom Senior battled it out in early November in the Charity Cage Wars in Wrexham!

Tom trained extremely hard and was fighting to raise money for a great cause - Great Ormond Street Hospital and Children's Charity.

Both participants fought well so the score resulted in a draw!

Tom has a passion for MMA fighting and supporting local charities so he has decided to continue with the sport and has other fights planned for the future.

CHARITY

WARS

We welcomed the latest addition to our ever-expanding fleet machinery team!

A new bobcat T870 laser grader which was first used at one of our free-range sites in Bridgnorth, Shropshire.

WE WELCOME BECKY TO THE MARKETING TEAM!

In July 2019, Becky joined the HR & Payroll department. After three months she moved to the Marketing department whereby she supports the Marketing Manager, Mike Austin.

"I am extremely grateful for being given the opportunity to expand my knowledge in Marketing and I am able to utilise the skills and experience already gained at university.

I look forward to gaining my CIM qualification which is supported through the company as this will enhance my career through Marketing whilst working at Knights Construction".

CONSTRUCTION DIRECTOR ATTENDS FREE RANGE OPEN DAY!

On Wednesday 27th November our Construction Director Anthony Litchfield attended an open day at a free range site that was recently delivered by Knights.

The Landmeco Combo Multi-tier Open Day was held at Andrew Brisbourne's site in Shropshire and enabled regional agricultural producers to come and experience first hand a recently completed 32K free range site.

**SITE WORKER
OF THE MONTH!**

A huge congratulations to our recent Site Worker of the Month winners.

NOVEMBER - SCOTT WILLIAMS
DECEMBER - TBC

CHRISTMAS COMPETITIONS BEGIN

DECORATE YOUR DESK 2019

To kick off our countdown to Christmas we enjoyed having Charlie & Alli, sons of Matt Jones our Managing Director judge our 'Decorate your Desk Day' on Friday 29th November. Our Accounts team have managed to win first place for a number of years following spectacular festive displays year after year! It seemed our Accounts team out did themselves once again by recreating a Home Alone theme!

Our office team enjoyed their festive lunch on Friday 13th November. All members of staff wore their Christmas jumpers in aid of Save the Children UK.

CHRISTMAS JUMPER DAY & FESTIVE FOOD

COMPLETE

CHESHIRE FREE RANGE UNIT

In the Autumn of 2019, our hard working team of site workers successfully completed another great poultry project in Cheshire, UK whereby two broiler units were required. We are able to call upon a broad array of techniques and industry best practices to ensure that the client receives the highest standard of service, from the pre-planning and design stage through to closing the gate behind us.

Whether you are diversifying into free-range production for the first time or you simply want to upgrade your current facilities, we can manage the whole process so that you can concentrate on optimising your flock management.

SANSAW LIVESTOCK BUILDINGS

Our customer at Sansaw captured their 'girls' moving into their new winter home. We recently completed the construction of two new livestock buildings. Knights Agricultural Division is fast-becoming the UK's premier choice for managing full design and implementation of dairy and general livestock farm projects. Our history of working alongside manufacturers such as DeLaval, Fullwood and Dairymaster among others enables us to deliver the successful construction of state-of-the-art milking parlours.

COMPLETE

We provide successful construction solutions for projects of all sizes and specialise in high tolerance concrete flooring. A live site that is based near Burlton Grange where our civils team are setting up bolt box and completing a concrete pour.

CURRENT

EARTHWORKS BUSY ON DIVERSIFICATION PROJECT

We offer agricultural diversification schemes whereby we can project manage the process from start to finish. Our earthworks team have been extremely busy on a current project where the earthworks have commenced on the renewable side. The pre-application is underway for the conversion of the listed farm house and outbuildings.
